GENERATOR

DSM UNDERTAKING

I S/o
aged R/o
representing the Company
HT.SC.No..... hereby undertake and state that I have made
open access arrangement for selling power to a Trader/ Open access consumer
of other state/TG state by name..... to have power, during the period
..... while continuing to be the Generator selling power to
Discoms as earlier. And in this connection I undertake that, if I am found to
have Under generated/Over generated any quantum of energy for the period as
reflected in the meter, dehor's to the fact whether the said Under/Over
generation in the period has taken place with or without information to
TGS LDC, I agree for the following:

- i) I / We will pay the prevailing DSM rates as may be payable from time to
time depending on the grid frequency in addition to charges liable to pay
for the energy generated below the scheduled energy.
- ii) I/ We will not claim any charges for energy injected over and above the
scheduled energy, since the same is inadvertent power to the TG Grid.
- iii) We agree to ensure that aggregate quantum in each time block of 15
minutes for all the bid(s) in collective transactions through all Markets
including RTM & G-TAM shall not exceed the quantum for which No
Objection or Prior Standing Clearance has been granted.

This undertaking is given to permit my company to avail O.A. during the said
Open Access period.

This undertaking will be valid from DD.MM.YYYY to the end of this Financial
Year.

CONSUMER

DSM Undertaking

I S/o Aged
R/o
representing the
Company HT.SC.No..... hereby undertake and state that
I have made open access arrangement for receiving power from a Trader/
Open-access Generator of other state/TG state by name to have power,
during the period while continuing to be the consumer of
Discoms. And in this connection I undertake, that if due to default of said
open-access generator in supplying power as agreed to by the company or
for any other, or if I am found to have drawn any quantum of energy from
the Discoms as reflected in the meter, dehor's to the fact whether the said
drawal has taken place with or without information from my open access
generator, I agree to pay Deviation Energy charges as per CERC Regulations
as may be payable time to time depending on the frequency in addition to
M.D charges as per tariff order issued by TGERC. This undertaking for the
liability of Deviation Energy charges is given to Discoms to permit my
company to avail OA.

I/We Agree to ensure that aggregate quantum in each time block of 15
minutes for all the bid(s) in collective transactions through all markets
including RTM & G-TAM shall not exceed the quantum for which
No-Objection or Prior Standing Clearance has been granted.

This undertaking will be valid from DD.MM.YYYY to the end of this Financial
Year.
