###

ORDER:

It is necessary for APTRANSCO to expand existing transmission network by commissioning new EHV transmission lines and Substations to meet the system demand and for transmission of quality power from time to time. In view of the manifold expansion of power system network, it is essential for strengthening of certain field units such as Substation & Lines, Divisions, Circles and Zones etc. Thus it necessitates sanction of additional posts for construction of new lines & Substations and operation & maintenance of lines & Substations already commissioned. In this context, the Technical Committee reviewed the workload and based on the recommendations of the Committee, proposals were sent to Govt. for creation of **870** Electrical Engineering posts for re-organisation of APTRANSCO in Field and headquarters.

2. After careful examination, the Govt., have accorded sanction for creation of 297 Electrical Engineering posts. Accordingly, the APTRANSCO vide T.O.O (2) cited issued orders for creation of the following 297 Electrical Engineering posts duly adopting the Govt., G. O (1) cited.
